REMARKS

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that this document is considered material to patentability as defined in 37 C.F.R. §1.56. Patentee does not waive any right to take any action which would be

appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* prior art reference against the claims of the present application.

No Office Action on the merits has yet been received by Applicants. Therefore, Applicants believe that this Supplemental Information Disclosure Statement is submitted in compliance with 37 C.F.R. § 1.97 (b)(3). In the event that an Office Action on the merits has been mailed to Applicants, Applicants note that each item of information contained in the Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of the Information Disclosure Statement in accordance with 37 C.F.R. § 1.97(c)(1). Applicants believe that no fee is due for this filing. However, the Commissioner is authorized to charge any fee due for this filing to Deposit Account No. 06-1447. For purposes of charging said Deposit Account, a duplicate copy of this Statement is enclosed.

Each of these documents was cited in the International Search Report mailed March 06, 2002, by the European Patent Office on a Patent Cooperation Treaty application that relates to the above-referenced application. A copy of the Search Report is also enclosed. The other documents cited in the International Search Report were previously submitted to the Patent and Trademark Office in an Information Disclosure Statement filed on February 26, 2002. It is thus requested that these documents be considered during examination of the above-referenced application and be specifically made of record therein.

Respectfully Submitted,

March 13, 2002
